

ISHAANI

ELECTRONICS PVT. LTD.

Ishaani Electronics Private Limited is a progressive ISO-certified organization, known for the manufacture of premium quality control panels both throughout Indian and abroad. Established in 1989, our firm has successfully catered to the demands and needs of various industries for over two decades, including the paper, sugar, cement, metal sector, machine tools, power sector & chemical industries. Over the years, we have developed a comprehensive understanding of the market demands and customer requirements, which enables us to develop upgraded control panels that satisfactorily meet the needs of the clients. Based in Kolkata, our organization is headed by Mr. Pannalal Ghosh, the firm's director and promoter.
